

## ProDevice ASM240 degausser

### PRODEVICE ASM240 ENSURES COMPLIANCE WITH THE MANDATES, REGULATIONS AND SECURITY GUIDELINES

- PCI DSS (Payment Card Industry), Data Security Standard
- NIST (National Institute of Standards and Technology), Guidelines for Media Sanitization: NIST SP 800-36, NIST SP 800-88
- HIPAA (Health Insurance Portability and Accountability Act)
- PIPEDA (Personal Information Protection and Electronic Documents Act)
- HMG CESH IS5

Degausser operates in accordance with the ISO27001 standard, so ASM240 is a perfect solution for companies and institutions that care for the highest standards related to the protection of confidential data, defined by GDPR.

ASM240 degausser has been fully designed and built by engineers of the ProDevice brand. It is a continuation of the ASM120 degausser, based on the best components, patented and innovative technologies. It was designed and manufactured in our modern R&D center, which is fully-equipped and adapted to scientific research and experiments.

### FEATURES

Mobile APP available - the world's first degausser, working with mobile devices.

- 100% efficiency - permanently and fully deleting data by generating a strong magnetic field up to 20.000 Gauss. Data can never be recovered.
- The ability to scan the bar code and take a picture of the degaussed data media.
- Cloud reporting - creating a media destruction report during the degaussing process.
- PPMS (Pre-Paid Management System) technology - charging of device remotely for a specified number of data removal cycles.
- TCP/IP Interface - operating in network mode, with the ability to manage the ProDevice ASM240 from any location in the world.

## TECHNICAL SPECIFICATION

	ProDevice ASM240	ProDevice ASM240 LITE
Magnetic field	2T = 20 000 Gauss	1T = 10 000 Gauss
Data removal cycle*	30 s / unit	20 s / unit
Mobile app	Yes	No
Bare code scanner and camera	Yes	No
Cloud reporting	Yes	No
PPMS technology	Yes	No
Power supply	115V, 230V / 50Hz, 60Hz	
Dimensions	465mm x 350mm x 325mm	
Weight	38 kg	
Shipping case	Yes	
Warranty	2 years up to 5 years	

\*For power supply of 115V/60HZ, data removal cycle: 55s (ASM240 LITE – 30s)

## SUPPORTED MAGNETIC STORAGE MEDIA

- HDDs: 2.5" and 3.5"
- Data tape media: LTO, DLT, SDLT, DDS, DAT, AIT, Travan, SLR, QIC, 3592, 3590E, 3490E, 3480, 9840, 9940, T10K
- Others: floppy disks 3.5", audio and video cassettes

### ProDevice

ProDevice is a leader of innovative technologies on the market for destroying information from electronic data carriers. The most modern R&D center of this type in the world, is the place of designing, testing and producing all brand devices. The cooperation of qualified engineers with the most outstanding scientific units in the country results in the implementation of the most advanced development projects related to modern technologies in the field of data removal. ProDevice products are currently sold in more than 30 countries around the world through an extensive network of Partners.
